Vancouver, BC

**MANAGEMENT INFORMATION CIRCULAR  
FOR ANNUAL AND SPECIAL MEETING OF SHAREHOLDERS**

(Containing Information as at May 13, 2019, unless otherwise stated)

**SOLICITATION OF PROXIES**

**This management information circular (the “Circular”) is furnished in connection with the solicitation of Proxies by the management of Monterey Minerals Inc. (the “Corporation”), for use at the annual and special meeting (the “Meeting”), of the holders (“Shareholders”) of common shares without par value in the capital of the Corporation (the “Common Shares”), to be held on Thursday, the 27<sup>th</sup> day of June, 2019, at the time and place and for the purposes set forth in the accompanying Notice of Meeting and at any adjournment thereof. It is expected that the solicitation of Proxies on behalf of management will be primarily by mail; however, Proxies may be solicited personally or by telephone by the regular officers, employees or agents of the Corporation. The cost of soliciting Proxies on behalf of management will be borne by the Corporation. The Corporation may also reimburse brokers and other persons holding Common Shares in their names or in the name of nominees, for their costs incurred in sending Proxy materials to beneficial owners and obtaining their Proxies or voting instructions.**

**APPOINTMENT OF PROXIES**

**The persons named in the accompanying form of proxy (the “Proxy”) are representatives of management of the Corporation and are directors and/or officers of the Corporation. A SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON (WHO NEED NOT BE A SHAREHOLDER) TO ATTEND AND ACT FOR HIM/HER ON HIS/HER BEHALF AT THE MEETING OTHER THAN THE PERSONS NAMED IN THE ENCLOSED PROXY. TO EXERCISE THIS RIGHT, A SHAREHOLDER MAY STRIKE OUT THE NAMES OF THE PERSONS NAMED IN THE PROXY AND INSERT THE NAME OF HIS/HER NOMINEE IN THE BLANK SPACE PROVIDED, OR COMPLETE ANOTHER PROXY. A PROXY WILL NOT BE VALID UNLESS IT IS RETURNED TO INTEGRAL TRANSFER AGENCY INC. IN ACCORDANCE WITH THE INSTRUCTIONS SET OUT IN THE FORM OF PROXY ACCOMPANYING THE MANAGEMENT INFORMATION CIRCULAR, NOT LESS THAN 48 HOURS (EXCLUDING SATURDAYS, SUNDAYS AND HOLIDAYS) BEFORE THE TIME OF THE MEETING OR ANY ADJOURNMENT THEREOF.**

The Proxy must be signed by the Shareholder or by his/her attorney in writing, or, if the Shareholder is a Corporation, it must either be under its common seal or signed by a duly authorized officer.

## NON-REGISTERED HOLDERS

Only those Shareholders whose names appear on the central security register of the Corporation (“**Registered Shareholders**”), or the persons they appoint as their Proxies, are permitted to attend and vote at the Meeting. However, in many cases, Common Shares beneficially owned by a holder (a “**Non-Registered Holder**”) are registered either:

- (a) in the name of an intermediary (an “**Intermediary**”) that the Non-Registered Holder deals with in respect of the Common Shares, such as, among others, banks, trust Companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans; or
- (b) in the name of a clearing agency (such as CDS Clearing and Depository Services Inc.) of which the Intermediary is a participant.

In accordance with the requirements of National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”), the Corporation has distributed copies of the Meeting materials to the clearing agencies and Intermediaries for onward distribution to Non-Registered Holders.

Intermediaries are required to forward Meeting materials to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Intermediaries will often use service Companies to forward the Meeting materials to Non-Registered Holders. Generally, Non-Registered Holders who have not waived the right to receive Meeting materials will either:

- A. be given a voting instruction form which must be completed and signed by the Non-Registered Holder in accordance with the directions on the voting instruction form (which may in some cases permit the completion of the voting instruction form by telephone); or
- B. be given a Proxy which has already been signed by the Intermediary (typically by a facsimile, stamped signature) which is restricted as to the number of Common Shares beneficially owned by the Non-Registered Holder, but which is otherwise uncompleted. This Proxy need not be signed by the Non-Registered Holder. In this case, the Non-Registered Holder who wishes to submit a Proxy should otherwise properly complete the form of Proxy and deposit it with Computershare, as described above.

The purpose of these procedures is to permit Non-Registered Holders to direct the voting of the Common Shares they beneficially own. Should a Non-Registered Holder who receives either a Proxy or a voting instruction form wish to attend and vote at the Meeting in person (or have another person attend and vote on behalf of the Non-Registered Holder), the Non-Registered Holder should strike out the names of the persons named in the Proxy and insert the Non-Registered Holder’s (or such other person’s) name in the blank space provided or, in the case of a voting instruction form, follow the corresponding instructions on the form. *In either case, Non-Registered Holders should carefully follow the instructions of their Intermediaries and their service Companies.*

## REVOCATION

A Registered Shareholder who has given a Proxy may revoke the Proxy by:

- (a) completing and signing a Proxy bearing a later date and depositing it with Computershare as described above;
- (b) depositing an instrument in writing executed by the Shareholder or by the Shareholder's attorney authorized in writing: (i) at the registered office of the Corporation at any time up to and including the last business day preceding the day of the Meeting, or any adjournment of the Meeting, at which the Proxy is to be used, or (ii) with the chairman of the Meeting prior to the commencement of the Meeting on the day of the Meeting or any adjournment of the Meeting; or
- (c) in any other manner permitted by law.

A Non-Registered Holder may revoke a voting instruction form or a waiver of the right to receive Meeting materials and to vote given to an Intermediary at any time by written notice to the Intermediary, except that an Intermediary may not be required to act on a revocation of a voting instruction form or of a waiver of the right to receive Meeting materials and to vote that is not received by the Intermediary at least seven days prior to the Meeting.

## VOTING OF PROXIES

The management representatives designated in the enclosed Proxy will vote or withhold from voting the Common Shares in respect of which they are appointed by Proxy on any ballot that may be called for in accordance with the instructions of the Shareholder as indicated on the Proxy and, if the Shareholder specifies a choice with respect to any matter to be acted upon, the Common Shares will be voted accordingly. Unless otherwise indicated, the persons designated as proxyholders in the accompanying form of Proxy will vote the shares represented by such form of Proxy, properly executed FOR the matters identified in the notice of Meeting and any other matters which may properly come before the Meeting.

The enclosed Proxy confers discretionary authority upon the management representatives designated in the Proxy with respect to amendments to or variations of matters identified in the notice of Meeting and with respect to other matters which may properly come before the Meeting. At the date of this Circular, management of the Corporation know of no such amendments, variations or other matters.

The Corporation is sending proxy-related materials to registered holders or beneficial owners using notice and access. The Corporation is sending proxy-related materials directly to non-objecting beneficial owners under National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”). Management of the Corporation does not intend to pay for intermediaries to forward to objecting beneficial owners under NI 54-101 the proxy-related materials and Form 54-101F7 – Request for Voting Instructions Made by Intermediary, and in the case of an objecting beneficial owner, the objecting beneficial owner will not receive the materials unless the objecting beneficial owner's intermediary assumes the cost of delivery.

## **NOTICE AND ACCESS**

The Corporation has elected to use “notice and access” rules (“**Notice and Access Provisions**”) under National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”), in conjunction with National Policy 11-201 *Electronic Delivery of Documents*, for distribution of this notice of Meeting, Circular, and the form of Proxy to Shareholders who hold Common Shares of the Corporation in their own names (“**Registered Shareholders**”). Notice and Access is a set of rules that allows issuers to post electronic versions of its Meeting Materials on SEDAR and one additional website. Registered Shareholders will receive, via regular mail, the notice of availability, form of Proxy and return envelope.

The use of Notice and Access is more environmentally friendly as it helps reduce paper use. It also reduces the Corporation’s printing and mailing costs. Shareholders may obtain further information about Notice and Access by contacting: (i) for Registered Shareholders with a 15-digit Control Number: Integral Transfer Agency Inc., toll free at (866) 424-0897 (within North America) or collect at (416) 424-0897, ext. 203 (outside North America); or (ii) Non-Registered Shareholders with a 15-digit Control Number: toll free at (866) 424-0897 (within North America) or collect at (416) 424-0897, ext. 203 (outside North America).

The Corporation will be using Notice and Access Provisions, managed by Integral Transfer Agency Inc. for delivery to Shareholders who do not hold the Common Shares in their own names (“**Non-Registered Shareholders**”). Non-Registered Shareholders will receive an email, on or after May 28, 2019, providing them with a URL to their notice of Meeting, Circular and form of Proxy. Non-Registered Shareholders will also receive via regular mail the notice of availability, voting information form and return envelope. Non-Registered Shareholders are directed to the section titled PARTICULARS OF MATTERS TO BE ACTED UPON, of this Circular for discussion of the matters to be voted on.

#### **CORPORATE GOVERNANCE** **STATEMENT OF CORPORATE GOVERNANCE PRACTICES**

##### **General**

Corporate governance refers to the policies and structure of the Board of a Company whose members are elected by and are accountable to the Shareholders of the Company. Corporate governance encourages establishing a reasonable degree of independence of the Board from executive management and the adoption of policies to ensure the Board recognizes the principles of good management. The Board is committed to sound corporate governance practices, as such practices are both in the interests of Shareholders and help to contribute to effective and efficient decision-making.

Effective June 30, 2005, National Instrument 58-101 *Disclosure of Corporate Governance Practices* (“**NI 58-101**”) and National Policy 58-201 *Corporate Governance Guidelines* (“**NP 58-201**”) were adopted in each of the provinces and territories of Canada. NI 58-101 requires issuers to disclose the corporate governance practices that they have adopted. NP 58-201 provides guidance on corporate governance practices. This section sets out the Company’s approach to corporate governance and describes the measures taken by the Company to comply with NI 58-101.

##### **Board of Directors**

Directors are considered to be independent if they have no direct or indirect material relationship with the Company. A “material relationship” is a relationship which could, in the view of the Company’s Board, be reasonably expected to interfere with the exercise of a director’s independent judgment.

The Company’s Board facilitates its exercise of independent judgement in carrying out its responsibilities by carefully examining issues and consulting with outside counsel and other advisors in appropriate circumstances. The Company’s Board requires management to provide complete and accurate information with respect to the Company’s activities and to provide relevant information concerning the industry in which the Company operates in order to identify and manage risks. The Company’s Board is responsible for monitoring the Company’s officers, who in turn are responsible for the maintenance of internal controls and management information systems.

The following members of the Board are non-independent: James Macintosh and Julio DiGirolamo.

The following members of the Board are independent: Guy T. Le Page and Samuel Hardy.

Board Meetings may also include presentations by the Company's management and employees to give the directors additional insight into the Company's business.

## Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual directors' participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company. Further, the Company's Auditor has full and unrestricted access to the Audit Committee at all times to discuss the audit of the Company's financial statements and any related findings as to the integrity of the financial reporting process.

## Nomination of Directors

The Company's management is continually in contact with individuals involved in the mineral exploration industry and public-sector resource issuers. From these sources, the Company has made numerous contacts and continues to consider nominees for future Board positions. The Company conducts diligence and reference checks on any suitable candidate. New nominees must have a track record in general business management, special expertise in the area of strategic interest to the Company, the ability to devote the time required and willingness to serve. The Board does not currently have a nominating Committee.

### **Compensation**

The Board as a whole determines the salary and benefits of the executive officers and directors of the Company, as well as the Company's general compensation structure, policies and programs.
