GENERAL PROXY INFORMATION

Solicitation of Proxies

All costs of solicitation by management will be borne by the Company. In addition to the solicitation of proxies by mail, directors, officers and employees may solicit proxies personally, by telephone or facsimile, but will not receive compensation for so doing.

Appointment of Proxyholder

The individuals named in the accompanying form of proxy (the “Proxy”) are directors (“Directors”) or officers (“Officers”) of the Company and were designated by management of the Company (the “Management Proxyholder”). **A shareholder wishing to appoint some other person who need not be a shareholder to represent the shareholder at the Meeting has the right to do so, by striking out the names of those persons named in the accompanying form of Proxy and inserting such other person's name in the blank space provided in the form of Proxy or by completing another form of Proxy.** Shareholders may wish to vote by Proxy whether or not they are able to attend the Meeting in person.

REGISTERED SHAREHOLDERS and NON-OBJECTING BENEFICIAL OWNERS electing to submit a Proxy may do so by:

- a) completing, dating and signing the enclosed form of Proxy and returning it to the Company's transfer agent, Integral Transfer Agency Inc. (“Integral”) by fax at 1-647-794-3332, or **by email at support@integraltransfer.com**, or by mail or hand delivery to Integral Transfer Agency Inc., 100 Queen St East, Suite 203 Toronto, ON M5C 1S6; or; or
- b) REGISTERED SHAREHOLDERS may submit proxy online at <https://stocktransfersolo.com/vote/> using the PROXY ID (4 digits) and unique personal ACCESS CODE (14 digits) indicated on their accompanying form of proxy.

A Proxy will not be valid unless the completed, dated and signed form of Proxy is received by Integral not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time of the Meeting, or any adjournment thereof.

OBJECTING BENEFICIAL OWNERS electing to submit a Proxy may do so by following the instructions provided to them by their Intermediary, usually in the form of an accompanying Voting Instruction Form.

Revocation of Proxy

A shareholder who has given a Proxy may revoke it by an instrument in writing:

- a) executed by the shareholder or by the shareholder's attorney authorized in writing or, where the shareholder is a company, by a duly authorized officer or attorney of the company; and
- b) delivered to either:
 - i) Integral Transfer Agency Inc., 100 Queen St East, Suite 203 Toronto, ON M5C 1S6, at any time up to and including the last business day preceding the day of the Meeting or any adjournment thereof, or
 - ii) the chairman of the Meeting on the day of the Meeting or any adjournment thereof.

Only registered shareholders have the right to revoke a Proxy. Non-registered holders who wish to change their vote must, at least seven days before the Meeting, arrange for their respective Intermediaries (as defined below) to revoke the Proxy on their behalf. A revocation of a Proxy does not affect any matter on which a vote has been taken prior to the revocation.

Exercise of Discretion by Proxyholders

Shares represented by properly executed Proxies in favour of persons designated in the enclosed form of Proxy will, where a choice with respect to any matter to be acted upon has been specified in the form of Proxy, be voted in accordance with the specification made. In the absence of any such specification, the Proxy will be voted as recommended by Management. Where directions are given by the shareholder in respect of voting for or against any resolution, the proxyholder will do so in accordance with such direction.

The enclosed form of proxy, when properly signed, confers discretionary authority upon the person named therein as proxyholder with respect to amendments or variations to matters which may be properly brought before the Meeting. At the date of this Information Circular, management of the Corporation knows of no such amendments, variations or other matters to come before the Meeting. However, if any other matters, which are not now known to Management, should properly come before the Meeting, then the Management designees intend to vote in accordance with the judgment of Management.

Non-Registered Holders

Only registered shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Most shareholders of the Company are “non-registered” shareholders (“Non-Registered Holders”) because the shares they own are not registered in their names but are instead registered in the name of (a) a brokerage firm, bank, trust company, trustee or administrator of self-administered RRSPs, RRIFs, RESPs and similar plans; or (b) a clearing agency such as CDS & Co. (any of the foregoing, an “Intermediary”). **If you are a Non-Registered Holder, your shares can only be voted by the Intermediary in accordance with instructions received from you.**

In accordance with securities regulatory policy, the Company has distributed copies of the Notice, this Information Circular and the Proxy (collectively, the “Meeting Materials”) to the Intermediaries for distribution to Non-Registered Holders. Each Intermediary has its own form of proxy and mailing procedures. Therefore, **if you receive the Meeting Materials from an Intermediary, you should carefully review the voting instructions provided by your Intermediary to ensure that you direct the voting of your shares in accordance with those instructions.**

The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Investor Communications (“Broadridge”), who typically sends a voting instruction form (“VIF”) to Non-Registered Shareholders requesting them to provide voting instructions. **Please note a Broadridge VIF cannot be used to vote directly at the Meeting. If you are a Non-Registered Shareholder with a Broadridge VIF, you must follow the procedures set out by Broadridge, well in advance of the Meeting, for voting directly at the Meeting.**

Non-Registered Shareholders who wish to attend the Meeting and indirectly vote as proxyholder for the registered shareholder should contact their Intermediary well in advance of the Meeting to determine the steps necessary to permit them to indirectly vote their Shares as a proxyholder.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The Company’s authorized capital consists of an unlimited number of common shares without par value (the “Shares”). As at December 21, 2020 (the “Record Date”), there were 31,745,580 Shares issued and outstanding. Each share carries the right to one vote.

Any shareholder of record at the close of business on the Record Date who either personally attends the Meeting or who has completed and delivered a Proxy in the manner specified herein, subject to the provisions described above, shall be entitled to vote or to have such shareholder’s shares voted at the Meeting.

CORPORATE GOVERNANCE

National Policy 58-201 Corporate Governance Guidelines provides non-prescriptive guidelines on corporate governance practices for reporting issuers. National Instrument 58-101 Disclosure of Corporate Governance Practices prescribes certain disclosure by a reporting issuer of its corporate governance practices. The following sets out Phoenix Gold's approach to corporate governance and includes the disclosure required Form 58-101F2 of NI 58-101.

Board of Directors

The Board will consist of three Directors, two of whom are independent. Except for Andrew Lee, who is the Company's President and CEO, none of the other Directors is:

- (i) an Officer or employee of the Company;
- (ii) a party to a material contract with the Company or has a material interest in a transaction involving the Company;
or
- (iii) the recipient of remuneration from the Company other than incentive stock options disclosed herein.

Directorships

As at the date hereof, Andrew Lee is also a director of Phoenix Gold Resources Corp. a listed reporting issuer on the TSX Venture.

Orientation and Continuing Education

The Board provides ad hoc orientation for new Directors. All Directors receive a Director's manual containing a record of historical public information about the Company, copies of the Company's charters and other relevant information. The Board also arranges meetings with management to provide a review of the nature and operations of the Company.

The Board provides continuing education for directors on an ad hoc basis in respect of issues that are necessary for them to understand to meet their obligations as directors. All of the Directors are actively involved in their respective areas of expertise, and they are encouraged to keep themselves current with industry trends and changes in legislation by liaising with management and the Company's counsel, attending industry-related events and other educational seminars. The cost of continuing education activities will be borne by the Company.

Ethical Business Conduct

The Board has adopted and maintains a code of ethics which is applicable to the Company's Directors, Officers and employees. The purpose of the code is to provide guidance and to prohibit unethical behavior with respect to issues such as conflicts of interest, confidentiality, whistleblowing, protection of corporate assets and opportunities, and compliance with laws and regulations. Furthermore, Directors are frequently reminded to consider whether they are in a conflict of interest by virtue of serving as directors or officers in other companies or holding an interest in a transaction or agreement. A Director in such circumstances is advised to disclose his or her interest in a transaction or agreement, and if the Board considers the interest to be material, such Director must abstain from discussing and voting on the matter.

Nomination of Directors

Given the small size of the Company and its early stage of development, the Board has not appointed a nomination committee or put in place formal procedure for the identification of potential Board candidates. Since the size of the Board is limited, the functions of such a committee can be served by the Board as a whole.

Compensation

The Board as a whole determines the compensation of the Directors and NEOs. Currently, it is the Board's policy to compensate its Directors and NEOs with equity options in order to align the interest of Directors with those of the Company's shareholders.

Other Board Committees

The Company has no committee other than its audit committee at this point.

Assessments

Members of the Board are expected to continually evaluate the effectiveness of the Board, its committees and fellow Directors by considering the accomplishment, or lack thereof, of the Company's goals. Furthermore, the Board is of the view that the Company's shareholders are the most important assessors of Board performance and that they provide the most effective, objective assessment of the Board's performance.

Stock Option Plan

The Company has adopted a 10% rolling incentive stock option plan (the “**Stock Option Plan**”), in accordance with the policies of the Exchange, which provides that the Board of the Issuer may from time to time, in its discretion, grant to directors, officers, employees and consultants of the Issuer non-transferable options (“**Options**”), which are exercisable for a period of up to ten years, to purchase up to 10% of the issued and outstanding Common Shares of the Issuer, except that prior to the Common Shares being listed for trading on the Exchange (or such other trading facility as the Common Shares may be listed on) the number of Common Shares which will be available for purchase pursuant to Stock Options granted pursuant to the Stock Option Plan may exceed 10% of the number of Common Shares which are issued and outstanding on the particular date of grant of Stock Options. Creation of a New Control Person

On November 20th, 2020 DeepRock announced it has entered into an agreement to acquire a 100% interest in a 7.641 km² land package situated in the Apuseni mountains of western Romania’s Bihor County.

Lying within an area where multiple skarn and hydrothermal stockwork deposits have evidence of exploitation dating back many centuries, the Perimeter and Prospecting Permit #21.711 referred to as Valea Cohului - Valea Zăpozilor (the “Property”) is known to host skarn and hydrothermal stockwork deposits that are mineralized in Gold, Silver, Copper, Lead and Zinc that were the subject of extensive underground exploration, development and exploitation works carried out during the 1980’s and early 1990’s before activities ceased due to the political and economic climate at that time. Consequently, the resource estimate of remaining ore tonnages defined in accordance with (historical) Russian resources classification standards **DOES NOT CURRENTLY** comply with National Instrument NI 43-101 that governs the Company’s disclosure requirements and will therefore not be referenced at this time.

An application for graduating the perimeter’s status to an exclusive Exploration License has been recently filed and accepted for review by Romania’s National Agency for Mineral Rights in early February 2021, and where the review and approval is anticipated to require up to 90 days thereafter.

During these past two fieldwork seasons the SC Romanium Metal SRL (the “Vendor”) has successfully deployed technical personnel on numerous site visits and programs to carry out further assessment work that to date has comprised LIDAR, soil and rock samples including trenching with sample assays tested by both University of Bucharest’s faculty of geology and ALS, (2D) Induced Polarization as well as metallurgical testing. Final reporting on this information and data, along with awaiting results on an additional 450 samples being tested by ALS Chemex that are due in the coming weeks, will be included with finalized compilation mapping and is anticipated to be completed and received by early in 2021.

Located approximately 75 to 80 kms due East from the city of Oradea there is excellent existing all season paved highway access directly to and through the property, along with multiple access points to grid scale power within close proximity. Water supply is abundant and nearby towns offer up a considerable and skilled labor force.

The purchase agreement’s key commercial terms and considerations for DeepRock’s acquisition of a 100% right, title and ownership interest in the property and pending exploration license include:

- i. \$150,000 CAD cash payment to the Vendor (payment completed);
- ii. \$150,000 CAD cash payment to the Vendor within 10 days of the Company closing a subsequent financing;
- iii. Issuance of 15 million common shares to the Vendor;
